- 3.3 **Number of Discipline Events:** An Athlete can only be nominated for a maximum of two Discipline Events unless the **NZSF** Selectors consider the Games programme allows for an Athlete to compete in more than two Discipline Events and it will not be detrimental to the overall performance of the Athlete.
- 3.4 **Nomination if Nomination Criteria Met:** Provided the requirements set out in clause 3.1 and 3.2 are met, the **NZSF** Selectors shall nominate those Athletes it considers meet the Nomination Criteria set out in clause 4.

4. Nomination Criteria

This clause 4.0 (Nomination Criteria) is applicable to all Disciplines unless otherwise specified in this Nomination Criteria e.g. clause 4.7(b).

- 4.1 **Nomination Criteria:** The **NZSF** Nomination Criteria for nomination to the Games Team is made up of two parts:
 - (a) the Over-Riding Nomination Criteria specified in clause 4.2; and

- (ii) the Athlete has a track record of sufficient quality and depth that the **NZSF** believes demonstrates the Athlete will be competitive at the Games and will perform to the level specified in clause 4.2(a)(i) in that Discipline Event.
- (b) **Evidence:** In determining whether or not the Athlete has met the Over-Riding Nomination Criteria for Discipline Events in clause 4.2(a) above, the **NZSF** Selectors must be satisfied as a minimum that the Athlete:
- (i) has met or exceeded **two** MQS scores listed in Schedule A in the applicable Discipline Event at any of the Key Competitions in the period 30 August 2018 to 30 March 2020; **and**
 - (ii) has attained at least **one** of the two MQS scores at an International Competition identified for that Discipline in the Key Competitions in Schedule B2; **and**

4.4 **Own Enquiries:** In considering any one or more of the above factors, the **NZSF** Selectors may make such enquiries of the Athlete, or other persons, as they see fit.

- 4.5 **Weight to be Given to Specific Nomination Factors:** The **NZSF** Selectors may give weight to any one or more of the Specific Nomination Factors and, if they do, they may apply such weighting to one or more Athletes. No particular factor shall be weighted more or less significantly by reason only of the order in which that factor appears in this Nomination Criteria.
- 4.6 **NZSF Five Match Ranking List:** After the last Key Competition (see Schedules B1 and B2) for each Discipline, **NZSF** shall compile a **NZSF** Five Match Ranking List for that Discipline which, subject to clauses 4.7 and 4.9 below, ranks each Athlete's scores in each Discipline Event by:
- (a) the Athlete's **two** highest MQS scores achieved from the Key Competitions, one of which must have been achieved at an International Competition (see clause 4.2(b)(ii)); and
 - (b) the Athlete's next three highest scores (whether MQS scores or not) achieved from the Key Competitions.

NOTE: See clauses 4.7 and 4.9 as to eligibility of scores.

- (a) **ISSF Sanctioned Event:** For any score from an ISSF Sanctioned Event listed in the Key Competitions to be included, an Athlete must have been selected by the NZSF as a member of the **NZSF** official team to attend an ISSF Sanctioned Event. If an Athlete is not selected by the NZSF but still attends the ISSF Sanctioned Event through some other means, the score achieved by the Athlete will not be included.
 - (b) **50m Small-bore 3P Rifle Events at ISSF Sanctioned Event:** In addition to clause 4.7(a) above, if an Athlete obtains MQS scores from each of the elimination and qualification match rounds in a Discipline Event, at an ISSF Sanctioned Event listed in a Key Competition:
 - (i) only the one highest MQS score can be included from that ISSF Sanctioned Event for the purposes of clauses 4.2 (b)(i) and (ii) and 4.6(a);
 - (ii) the second or lower MQS score from that ISSF Sanctioned Event can be included for the purposes of clauses 4.6(b) and 4.8.

NOTE: The two MQS scores required in a Discipline Event under clause 4.2(b) must come from 2 separate International Competitions.

- (c) **Scores at Key Competitions in Schedule B and for a particular Athlete from any substituted International Competition under clause 4.9 but not for those Key Competitions in Clause 4.7(a) and/or (b) above.** Additional provisions for such scores are as follows:

- (i) if at such Key Competition a Discipline Event includes a specific ISSF National Event, and the score achieved by the Athlete in that ISSF National Event is a MQS score, it is the only score that is included for MQS purposes from the Discipline Event from that Key Competition for that Athlete; but
- (ii) if at such Key Competition a Discipline Event does not include a specific ISSF National Event then the first MQS score achieved by the Athlete in the Discipline Event is the only MQS score that is included for MQS purposes from the Discipline Event from that Key Competition for that Athlete; but
- (iii) if the **NZSF** stipulates a Discipline Event within specific Key Competition in which MQS scores can be achieved, the NZSF will specify which MQS score achieved in that stipulated Discipline Event can be included for MQS purposes for that Athlete.

NOTE: *Unless otherwise required in this Nomination Criteria, scores achieved by an Athlete in Discipline Events at the Key Competitions referred to in clause 4.7(c) are still included for the purposes of clauses 4.6(b) (next 3 highest scores on 5 Match Ranking List) and 4.8 (Tie-Breaks).*

- (d) **Juniors:** For junior Athletes, scores achieved in Key Competitions in Discipline Events restricted for Juniors only cannot be included for MQS purposes.

4.8 Tie Breaks: In the event, there are two or more Athletes in a Discipline Event with a tied ranking on the relevant **NZSF** five Match Ranking List, the tie will be broken by taking the next highest other score of the Athletes in that Discipline Event from the Key Competitions and for a particular Athlete from any substituted International Competition under clause 4.9 and repeated until the tie is broken.

4.9 Substitution: If an Athlete wishes to compete in an international competition which is **not** listed in Schedule B2, instead of competing in a Domestic Competition which is listed in Schedule B1 that occurs within a two week period of the international competition:

- (a) The Athlete must apply in writing (e-mail is acceptable) to their Discipline office and to the **NZSF** office with a copy to the **NZSF** Sport Development Manager, to seek approval to do so.
- (b) The application must be received at the relevant Discipline office and by the **NZSF** Sport Development Manager at least 14 days before the start of the applicable Domestic Competition or international competition (whichever takes place first).
- (c) If approval of the application is given by **NZSF**, that particular international competition is deemed to be included in the list of Key Competitions for that particular Athlete, **provided that** a MQS score achieved at that international competition cannot be counted as the International Competition MQS score required in clauses 4.2(b)(ii) and 4.6(a).

NOTE: *To avoid doubt, except as excluded by clause 4.9(c) or by any other clause, a MQS score achieved in the circumstances in clause 4.9(c) can still be included as a MQS score for other purposes including for the other requirements of clauses 4.2(b)(i), (iii) and (iv) and for the other requirements of clauses 4.6(a) and (b), and can also be included in a clause 4.8 Tie Break.*

NOTE: For e-mail addresses of each Discipline office and the **NZSF** Sport Development Manager see Schedule C. Any changes in the addresses will be notified to all Athletes who have recorded their details under clause 3.1(a). **It is the Athlete's responsibility to ensure that the application is received as required above.** It is recommended that the Athlete pursues confirmation/acknowledgment of receipt from each intended recipient to ensure compliance.

NOTE: For e-mail addresses of each Discipline office and the **NZSF** Sport Development Manager see Schedule C. Any changes in the addresses will be notified to all Athletes who have recorded their details under clause 3.1(a). **It is the Athlete's responsibility to ensure that the notification is received.** It is recommended that the Athlete pursues confirmation/acknowledgment of receipt from each intended recipient to ensure compliance.

- 5.3 **Medical Certificate:** In the case of injury or illness, Athletes may be required by the **NZSF** Selectors to provide a medical certificate and/or to undergo an examination by a health practitioner/s nominated by the **NZSF** Selectors, and to provide that opinion and/or report to the **NZSF** Selectors. Any failure to agree to such a request may result in the **NZSF** Selectors being unable to consider the injury or illness as an extenuating circumstance. For such time that there are no **NZSF** Selectors the words "**NZSF** Selectors" in the first sentence of this clause 5.3 are replaced with the words "the **NZSF** Sport Development Manager".

5.4 **Case by Case:** In the case of any extenuating circumstance/s, the **NZSF** Selectors will make a decision on a case-by-case basis.
